Notification: ISO/TS 16949 Certification for Automotive Industry

Dear Valued Customers and Partners,

We are pleased to share our latest achievement in ISO certification with you that we have successfully obtained the certification of ISO/TS 16949 issued by TÜV SÜD.

ISO/TS 16949 is an internationally recognized Quality Management System specification for the automotive industry. ISO/TS 16949:2009 is the current version of the standard that was developed for the Automotive Industry. It contains all of the requirements of ISO 9001 system and defines the QMS requirements for automotive suppliers throughout the automotive industry supply chain.

Following ISO/TS 16949 certification core values, Finecables will supply you high quality cable harness for automobiles, assisting your further progress and achievements in automotive industry.

Thank you sincerely for your great supports and cooperation in the past years.

Note: Please see the attached ISO/TS 16949 certification.

Best Regards,
The Finecables Team
